Describe how this item addresses the areas of focus of the HWB strategy?

This recommendation and focus statement collates the data, insight and evidence presented at development session of the Health and Wellbeing Board on the 6th June 2024, and outlines a set of commitments for leaders to act upon to address the area of focus to Improve the Experience of Ageing. It identifies the areas where the HWB will request assurance on progress and outcomes in the future and support where there may be challenges or barriers.

Recommendations

The Board is asked to:-

- Agree and endorse the position statement.
- Agree to endorse three sponsors for this area of focus.
- Where applicable take action on the commitments and report back progress at the HWB in Jan 2025.
