

**3 November 2016**

**Subject: Housing Focus: Performance & Impact**

**Presented by: Susan Jordan & Allan Wiltshire**

**Purpose of bringing this report to the Board**

The Q1 Performance Report to the Board highlighted different areas of focus that might be useful to consider at a future meeting. It was agreed to bring a presentation back to the Board to explore Housing issues and how this may impact on the key areas of focus.

Finance		N
Legal		N
Equalities		Y
Other Implications (please list)		

**How will this contribute to improving health and wellbeing in Doncaster?**

Housing is a key bedrock of healthy and sustainable lives; exploring the local issues in Doncaster will support the Board to understand the key issues in Doncaster.

**Recommendations**

The Board is asked to receive and note the presentation on 'Housing Focus: Performance & Impact'
